PARENT PORTAL ANNUAL UPDATE

IMPORTANT INFORMATION FOR PARENTS/GUARDIANS

Is Your Parent Portal Activated? Stay engaged in your child's education by setting up and signing into the Columbus City Schools **Parent Portal**. Through the Parent Portal, you'll be able to securely access valuable information on your student(s):

- **Update Contact Information - All parents are now required to update their child's current address through the Parent Portal - Schools will no longer update addresses any longer. (To ensure proper bus routing, do not forget to complete the *Annual Student Update in the Parent Portal*)**
- Teacher Contact
- Grades and Course Schedules
- Daily Attendance
- Missed Assignments
- Paperless Applications for: School Choice, Summer School, and Career Tech
- Pay Fees

Keep your contact information updated on the Parent Portal. The most updated contact information for your child is needed for the District and Columbus Scioto to communicate with your family via phone, text, and email. It's very important to update your child's contact information every year through the Parent Portal. This includes emergency contacts, phone numbers, and email addresses. Columbus City Schools communicates information about School Choice Lottery, Career Tech, Summer School, and other pertinent announcements via auto-dialers and email contacts.

Do you have an address change?

Parent and Guardians are now required to update your home address **only** through the Parent Portal and make a request to change their students' address online through the **Annual Update**, without going to Central Enrollment. Complete important annual forms online through the **Annual Update** in the Portal. This includes acknowledgement such as Emergency Contact Information, Consent for Release of Student Information, Internet Acceptable Use, FERPA Rights, and Compact Form. **Annual Updates** will be processed promptly, and parents will receive a confirmation email when their update is completed.

NEED HELP GETTING CONNECTED? Each parent/guardian has their own personalized **Activation Code**.

ACTIVATING THE PARENT PORTAL IS EASY:

1. Go to our website at www.ccsok.us and click on the STUDENTS & FAMILIES tab
2. Click on the INFINITE CAMPUS (STUDENT & PARENT PORTAL) tab
3. Click on the link that says NEW USER ACTIVATION left side
4. Enter your ACTIVATION CODE (contact your school or the **FACTLine** at **614-221-3228** to obtain one if needed). *We know it's long - that helps keep the data secure - so type carefully.* Once the code has been activated, it can't be used again.
5. Follow the prompts to set up your username/password and to add a recovery email address.
6. If you've forgotten your username/password, click on EXISTING USER in the Portal, then click FORGOT USERNAME/PASSWORD, and the information will be sent to the email used to set up the account. If you no longer have access to the email you used when setting up the account, please send a picture ID to parentportalaccess@columbus.k12.oh.us.

The Parent Portal login will also allow you to have personalized alerts sent directly to your smartphone through the **Columbus City Schools Mobile App**. You can download the free Columbus City Schools Mobile App now by searching "Columbus City Schools" in the app store on your mobile device.

STILL HAVE QUESTIONS?

Call the District **FACTline at 614-221-FACT (3228)** or the Central Enrollment Center at **614-365-4011**.

Attendance Procedures

- Students entering homeroom after 7:25 a.m. and arriving at school after 7:30 a.m. are considered “unexcused tardy”, unless a written note, email or phone call from parent/guardian is presented to excuse the tardy. If the student is tardy to school, he/she must come to the attendance office and sign in. This procedure is necessary because the student is marked absent and the attendance record will need to be corrected. It is important that students make every effort to arrive on time to avoid interrupting the class already in progress and to avoid attendance confusion.
- Students must turn in a written excuse from a parent/guardian within 2 days after return to school from any absence, ½ day or full day. Students arriving to school after 3rd period will be considered absent for ½ day.
- If the student is absent or going to be late, the school needs to receive a phone call (**365-6085**) from a parent/guardian by 8:30 a.m. The phone call does not excuse the absence. A written note turned into the office or via school email is required.
- If the student accumulates more than 30+ consecutive hours of unexcused absences or 42+ hours in one month, the student runs the risk of failing classes or other serious consequences.
- If a student is going to leave school early for an appointment, the parent/guardian must send their student to the attendance office **before homeroom** with a written request with explanation for early leave. The student should then report to the attendance office or the main office to be signed out by parent/guardian at the early leave time that was arranged. If the student returns to school on the same day, he/she must report to the main office to sign back in, with the doctor’s excuse, and then will be escorted to class.

STATE OF OHIO’S DEFINITION OF EXCUSED FROM SCHOOL ATTENDANCE

Personal Illness:	The approving authority may require the certification of a physician if it seems advisable.
Illness in the Family:	The absence under this condition shall not apply to children under fourteen years of age.
Quarantine of the Home:	The absence of a child from school under this condition is limited to the length of quarantine as fixed by the proper health officials.
Death of a Relative:	The absence arising from this condition is limited to a period of three days unless a reasonable cause may be shown by the applicant child for a longer absence.
Observance of Religious Holidays:	Any child of any religious faith shall be excused if holiday is consistent with belief.
Superintendent’s Judgment:	Emergency or set of circumstances which in the judgment of the superintendent of schools constitutes a good sufficient cause for absence from school.

HOUSE BILL 410 TRUANCY REGULATIONS SUMMARY

Definition of Habitual Truant:

The law changes the definition of ‘Habitual Truant’ to any student who is absent without legitimate excuse for:

- 30+ consecutive hours or
- 42+ hours in one school month or
- 72+ hours in one school year

Notification Requirement (Triggering Event):

The law requires notification to the student’s parent/guardian of the students’ absences (both excused and unexcused) once they reach:

- 38+ hours in one school month; or
- 65+ hours in one school year

Notice must be given within seven days of the triggering event.

TRUANCY FAQ’s

1. **Does the school still file truancy charges with the courts?** The new law requires the filing of a complaint on the 61st day after the implementation of an absence intervention plan or other intervention strategies provided that **ALL** of the following apply:
 - *The student meets the statutory definition of habitual truant stated above.
 - *The district/school has made meaningful attempts to re-engage the student through the absence intervention plan or other intervention strategies and alternatives to adjudication.
 - *The student has refused/failed to make satisfactory progress on the plan, as determined by the team, or any offered intervention strategies, or offered alternatives to adjudication.
2. **Does the school have to wait the full 61 days to file truancy?** No. The law requires the filing of a complaint if, at any time during the implementation of the plan or other strategies, the student is absent without legitimate excuse for:
 - 30+ consecutive hours or
 - 42+ hours in one school month**UNLESS** the intervention team determines the student has made substantial progress on the plan.

Dear Parent(s)/Guardian(s):

As a parent of a student attending a school that is receiving Federal Title I Dollars, you have the right to know the professional qualifications of the teacher(s) and instructional paraprofessional(s) who instruct your child. Federal law requires every Title I school district to comply and to provide you with the requested information in a timely manner.

We are happy to provide this information to you. At any time, you may ask:

- ◆ Whether the teachers has met state qualifications and certification requirements for the grade level and subject he/she is teaching;
- ◆ Whether the teacher received an emergency or conditional certificate through which state qualifications were waived and;
- ◆ What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

The Every Student Succeeds Act (ESSA) which was signed into law in December 2015 and reauthorizes the Elementary and Secondary Education Act of 1956 (ESEA) includes additionally right to know requests. At any time, parents and family members can request:

- ◆ Information on required assessments that include:
 - subject matter tested,

 - time and format of disseminating results.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable Ohio state requirements.

We look forward to the upcoming school year, and together we will make a difference in your child's life.

The Columbus City School District does not discriminate based upon sex, race, color, national origin, religion, age, disability, sexual orientation, gender identity/expression, ancestry, familial status or military status in regard to admission, access, treatment or employment. This policy is applicable in all district programs and activities.

COVID-19/DELTA VARIANT & CCS K-12 SCHOOLS

COVID-19 Our fight against COVID-19 is not over. COVID-19 variants have emerged that increase the risk of transmission and result in worsening illness. The Delta variant is rapidly becoming the dominant strain in Ohio. Because the Delta variant spreads so quickly, these strategies to reduce transmission in schools are critically important to protect students, teachers, staff and communities. It is proven that masking reduces transmission of the virus which causes COVID-19 and it also protects those who are not vaccinated, universal masking will add another layer of protection to keep our children in school. Columbus City Schools will follow the following safety guidelines:

- Masks required for all students on the bus and in school buildings with or without vaccinations
- Masks required for all staff in school buildings and administrative sites with or without vaccination
- Handwashing and hand sanitizing regularly (hand sanitizer will be available in all buildings and classrooms)
- Water fountains will not be used; bottled water will be provided; the use of refillable water bottles is encouraged
- At least 3 feet social distancing when practical
- School visitors will be restricted to parents/guardians and the District's student support partners; visitors will be required to wear masks
- Masks are NOT required outside of the building; this includes outdoor recess, outdoor field trips, or other activities outside
- Any student or staff member can wear a mask during outdoor activities if they choose to do so.

The District will continue to monitor public health guidance and update its health and safety protocols accordingly as new information becomes available.

COVID-19 Vaccine for Children and Teens

The CDC recommends everyone 12 years and older should get the COVID-19 vaccination to help protect against COVID-19. The federal government is providing the vaccine free of charge to all people living in the United States, regardless of their immigration or health insurance status. Widespread vaccination is a critical tool to help stop the pandemic. People who are fully vaccinated can resume activities that they did prior to the pandemic. Learn more about what you and your child or teen can do when you have been fully vaccinated. Children 12 years and older are able to get the Pfizer-BioNtech COVID-19 Vaccine. Children between the ages of 2 and 12 should wear a mask in public spaces and around people they don't live with.

Nationwide Children's Hospital is part of Ohio's COVID-19 vaccination program and is now vaccinating the general public. If you or your child are at least 12 years old and if you are eligible (as defined by Ohio Department of Health guidelines), you can

schedule an appointment on their website to get the COVID-19 vaccine at www.nationwidechildrens.org or walk-ins are available on Friday's from 7:30 to 11:30am in the Orange Clinic located in Stecker Auditorium (575 S 18th St, Columbus, 43205)

Protecting Yourself and Others:

- Wash your hands often
- Avoid close contact
- Cover your mouth and nose with a **MASK** when around others
- Cover coughs and sneezes
- Clean and disinfect
- Monitor your health daily

*For more information on **COVID-19** go to Centers for Disease Control and Prevention at www.CDC.gov.*
