

# WHS clubs

Whetstone offers a variety of clubs and student activities...

...including these:

## Yearbook

The yearbook at Whetstone is created by the students. Any grade level students can participate in the yearbook. It is a club, which means most of the meetings happen after school. It is ideal for students who are interested in photography or design! And of course, it looks great on a college resume!

## #Reading4Justice Book Club

The #Reading4Justice Book Club was established last year and is currently operating at four schools across the district! We focus on books with characters from different backgrounds or cultural communities. This year we are reading *The Firekeeper's Daughter* by Angeline Boulley (Native American), *All Boys Aren't Blue* by George M. Johnson (LGBTQIA+ and African American), *We Are Not Free* by Tracey Chee (Japanese American), and *The Poet X* by Elizabeth Acevedo (Hispanic American). This club is open to all grade levels and would appeal to readers who want to take action and learn about other cultures.
