COME PLAY WITH THE
CHAMPIONS!

BRAVES SOCCER

EXPECTATIONS

Girls who join the soccer team do not have to have extensive experience. The only requirement is to come with a great attitude and give the same great effort. Soccer is a fun game!

RESULTS

We have won the last two City League Championships! Our team has won 7 of the last 9 City League Championships!

We plan to continue our winning ways!

OUR TEAM

This is YOUR team! The entire experience is made up by the girls and driven by their effort and expectations. It's about soccer! It's about fun! It's about belonging and teamwork!

"My favorite soccer memory was spending time with teammates at sleepovers and Kings Island."

"My favorite soccer memory was winning the City Championship at MAPFRE Stadium."

"My favorite soccer memory was having a team sleepover."

"As the mom of a freshman, I want to say a quick thank you to all the older girls who made her feel so welcome on the team and gave her helpful advice. She has been playing soccer since she was 4 and said this season has been the best one by far. You parents have some wonderful daughters! Thank you coaches, too 😊"

KEY DATES

The official season begins August 1, 2021 but we will meet throughout the summer and possibly attend a summer team camp.

In the past, we have attended day camps and/or overnight camps at nearby colleges.

Our goal is to have a fun experience and win soccer games.
