ClassDojo

3 steps to connect parents

1. **Print**

   Print a parent invite (next page) for each student in your class.

2. **Send home**

   Send students home with invites to give to their parents or guardians.

3. **Connect**

   From the app or classdojo.com, parents will use the invitation code to get verified, connect to your classroom, and set up their child's account!
Benefits to connecting parents:

✓ Parents in the know are able to provide better support at home

✓ Sharing moments from school fosters a sense of community

✓ Messaging directly (in 50+ languages) breaks communication barriers
