ClassDojo

3 steps to connect parents

1.   Print

Print a parent invite (next page) for each student in your class.

2.   Send home

Send students home with invites to give to their parents or guardians.

3.   Connect

From the app or classdojo.com, parents will use the invitation code to get verified, connect to your classroom, and set up their child's account!

Benefits to connecting parents:

✓ Parents in the know are able to provide better support at home

✓ Sharing moments from school fosters a sense of community

✓ Messaging directly (in 50+ languages) breaks communication barriers
