

**SUMMER
EXPERIENCE
2021**

Engage and Empower

Students

- Hands-on, relevant and rigorous experiences
- Focus on closing gaps and re-engaging students

Teachers

- Mentorship with OSU Partnership
- Professional Development (Instructional design and Planning)

Health and Safety Considerations
Safety Protocols & PPE

Daily in person learning

Teacher-Student ratio
K-12 1:15
PreK 1:10; SNP 1:8
MD 1:8

Summer Experiences

High School Programming

Mifflin High School
Independence High School
South High School
West High School

Middle School Programming

Medina Middle School
Dominion Middle School
Berwick Middle School
South Middle School
Hilltonia Middle School
Wedgewood Middle School
Champion Middle School
Fort Hayes High School
Columbus City Prep for Girls
Africentric Middle School

Elementary School Programing

Hamilton STEM
Shady Lane Elementary
Livingston Elementary
Parsons Elementary
Clinton Elementary
Georgian Heights Elementary
Trevitt Elementary
Cassady Alternative Elementary
Scottwood Elementary
Watkins Elementary
West Mound Elementary
Alpine Elementary
Colerain Elementary

Schedules

ELEMENTARY

Grades Pre K- 5

June 14th - July 22

8:00 - 1:00

Monday - Thursday

SECONDARY

Grades 6-8

June 14 - July 22

8:00 - 1:00

Monday - Thursday

Grades 9-12

June 14 - July 23

8:00 - 12:30

Monday - Friday

2021 Pre-K Summer (6 weeks)

- **Purpose:** To assist incoming kindergarten students and their families so they feel confident and ready for success in school
 - Students will have the opportunity to experience kindergarten before starting school
 - Students will participate in developmentally appropriate activities including early literacy skills, phonemic awareness, math, and social emotional mini lessons
 - Program includes a family and community component to establish a strong parent-school relationship

K-2 Growing & Going

Mini Camps

- Students will engage in explicit standards based instruction to strengthen foundational knowledge and skills and participate in design challenges that foster critical thinking, problem-solving, collaboration, creativity and communication. Each “Mini-Camp” will be focused on a theme and include a weekly in person or live virtual experience with our camp partner.

Mini Camp Themes

- Pollinators & Habitat Hunters
- Jurassic Franklin
- Nature Detective
- Garden Gastronomy
- Park Pirate Palooza
- Arts in Nature

Learning Beyond the Classroom

- Field trip to the FPC Children's' Garden
- Franklin Park Conservatory CCS Family Day in August
- Kindergarten Spruce Run Experience

3-5 Exploring & Excelling

Mini Camps

- Students will engage in explicit standards based instruction to strengthen foundational knowledge and skills and participate in design challenges that foster critical thinking, problem-solving, collaboration, creativity and communication. Each “Mini-Camp” will be focused on a theme and include a weekly in person or live virtual experience with our camp partner.

Mini Camp Themes

- Gadgets to Go
- Exploring Ecology
- Gross Science
- Mission to Mars
- Coaster Creators
- Superhero Science

Learning Beyond the Classroom

- COSI Field Trip
- COSI Camp Themed Kits

6-8 Programming

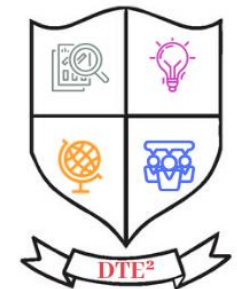

Design Challenges

- **Topics:** Robotics, Fashion, Additive Manufacturing, eSPORTS, Computer Science/Cyber Security, Aviation, Medical, Urban Agriculture/Culinary
- **Common threads:** Math focus, entrepreneurship, communication, project management, design thinking
 - Exposure to 21st century career paths
 - Hands on and engaging
 - Microcredentials for students and teachers

Partnership with PAST Foundation
& The Ohio State University

THE
PAST FOUNDATION

Design Thinking
Enrichment Experience
COLUMBUS CITY SCHOOLS
Researcher Designer Entrepreneur Communicator

High School

Social Justice Impact Project

- Face-to-Face Delivery, Deep Learning
- Focus on engaging standards aligned learning experiences (Solving Real Community Focused Problems)
- Interdisciplinary and Inclusive
- Increase the number of students on-track for Graduation through engagement and relevance.

Partnership with Korda Institute for Teaching and The Ohio State University

- Credit Recovery Options will be available for grades 9-12 - Online
- College Credit Plus Summer Opportunities

SPRUCE RUN - Environmental Education Center

High School Volunteer Credit (Counselor-In-Training CIT)

Project Adventure - grades 8-11 (*PE credit option*)

Environmental Science - grades 11-12 (*Science credit option*)

Middle School Enrichment Extensions

- The Physics of Flight - grades 6-8 (1 session, *2 weeks*)
- Citizen Science: Career Exploration - grades 6-8 (1 session, *2 weeks*)
- Art Exploration - grades 6-8 (3 sessions, *2 weeks* each)
- Ecology - grades 6-8 (1 session, *2 weeks*)
- Survivors Camp (based on Hatchet) - grades 6-8 (3 sessions, *2 weeks* each)

Kindergarten “One Week Experience”

- Outdoor Education Experience

Exceptional Students

Summer 2020 (fully remote)

- 4 week program focusing on recreation
- 80 elementary and middle school students could participate

SUMMER EXPERIENCE 2021

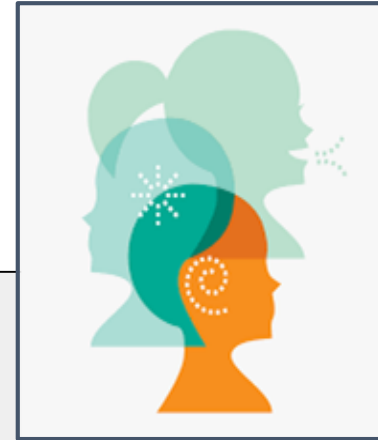

- Include high schoolers
- 2 classrooms per site MS and ES site (368 students)
- Similar schedule to typical peers
- Transportation
- Partnerships include LifeTown, Franklin Park Conservatory, COSI
- By invitation based on individual student need
 - Guardians will not sign up in the portal

Additional Student Support Services

Building Support

- Nursing
 - Consider the need for nursing on field trips
- Counselors and Social Workers K-6 sites

Additional Services

- 1 OT per ES site
- 1 PT per ES site
- 1 SLP per ES site
- Serve students attending Summer Experience
- Serve students by appointment brought by caregiver

Special Focus Programming

Middle School Career and Technical Camp

CTE will be offering Summer Experience Camps for MS and Secondary students in Robotics, Mechatronics, Culinary and Manicurist. Camps will serve 25 students in each camp for two week period.

AP Bootcamp

Focus on increased preparedness for students entering Advanced Placement classes in English and Math (1 Week per subject)

ESL Targeted Support

Additional support for High Schools who are EL.
