

HONORING HISTORY, CREATING THE FUTURE

DOMINION MIDDLE SCHOOL IS MOVING!

We've outgrown our current building on Dominion Blvd. In summer of 2020, Dominion Middle School will be re-locating to the former North High School building at 100 East Arcadia. Thank you to the many families who have supported and trusted Dominion over the years. We look forward to creating the future in our new space!

- North is a grand old building and the North High Alumni are excited to see the school district make investments that will help maintain the building's historical integrity.
- Improvements include adding air-conditioning and making roof and window replacements.
- City league sports and the North Polar Bears will return to North's Hagley Field.
- Dominion's excellent parent and community organizations: Music Boosters, PTSO and Clintonville Go Public will be assisting with the move, planning and raising additional needed funds.
- The North building offers capacity for dedicated spaces for Dominion's many excellent programs: choir, drama, orchestra, band and art. The stunning auditorium will be the new home of Dominion's daily Town Hall. Our Maker Space will also have a dedicated area for our students to create in.
- Most importantly, teachers and students will have room to grow and learn... Teachers will have their own classrooms. Parents will have volunteer space.
- The 100 E. Arcadia building is right on the COTA bus line, making field trips and after school transportation easier for many of our families.
