The Cedarwood Chronicle

December 2024 Edition

Rodney Johnson, Principal

Can you believe it's December already? It seems like yesterday the birds were chirping and the students were wearing shorts. Now, with the change in weather, we need to make sure our students are dressing appropriately, because it's cold outside (smile). Please make sure your child is wearing a hat, gloves, and a coat. He/She will not be allowed to go outside for recess if they don't have these things. Also, please remind your child to keep all of these things on when they go outside. This will help us all be better equipped to combat the sickness that comes during the winter season. After all, it is flu season!

Communication Update:

As you know, we are no longer using Class Dojo in our district. In an effort to try to provide ongoing timely communication, we will be constantly updating our school's website with frequent announcements. With that said, I would highly encourage you to "bookmark" it so that you have immediate access to all information. Additionally, we will continue to provide weekly phone dialers, flyers, and email correspondence to differentiate our methods. Hopefully, this approach will ensure everyone stays in the loop. In the meantime, I think it's important to note that the district is exploring an alternative program that has similar features as Class Dojo. As I learn additional information, I will keep you posted.

Attendance Challenge

The winner of our contest for the month of November was Pre K. For the first time, another grade level was able to dethrone our 5th graders! Congratulations to our Pre K students; your average attendance rate was 90.82%. Each homeroom will receive either a Game Room Pass or a Sweet Treat. All grade levels will be competing for the month of December. Parents, please try to do your part by making sure your child is at school each day. I can't wait to see who this month's winner will be.
