

PAPER Club

Free virtual classes for students!

Keep students busy learning with a wide array of fun activities throughout the school week.

Paper is excited to be supporting Columbus City Schools' students throughout their wellness week.

This week, we have lots of fun, engaging and free activities that students can take part in.

COLUMBUS CITY SCHOOLS

What's in store this fall

Academics

Math | Science | Writing
Entrepreneurship

We use everyday experiences as learning opportunities to support children's cognitive development and intellectual growth.

Creativity

Arts & Crafts | DIY | Projects Film
& Animation Magic

Enhance your creative thinking and "out of the box imaginations" with our instructors by focusing on self-awareness and expression.

Coding & Games

Chess | Minecraft | Puzzles
Web Design

Students will feel connected, engaged, and challenged through instructional learning and goal-based projects.

Life Skills

Networking | Leadership | Resume
Building | Survival Skills

Students will have the opportunity to learn new adaptive ways of thinking and problem-solving.

Healthy Living

Cooking & Baking | Dance
Mindfulness | Yoga

Learn how to lead a balanced and healthy lifestyle both physically and mentally. Students will achieve their wellness goals and have a better preparedness for an improved quality of life.

World

Spanish | French | Italian
Geography | History

Expand your cultural knowledge and experiences by learning about different places, languages, cuisines, and countries around the world.

Our classes are designed to provide you with an engaging and fun experience! All live classes run for 35 minutes.
