

WELCOME TO

6-8TH GRADE AT CGA

CURRICULUM

- Math acceleration with opportunity to complete multiple math courses in one year where appropriate
- ELA accelerated coursework providing ELA 8 and 9 in one year where appropriate
- Science 8 and 9 offered in 8th grade where appropriate
- Project and Problem-Based Learning
- 100% gifted specialist instruction in every academic class
- Differentiation according to interests and needs

OFF CAMPUS VISITS

- Off Campus Visits (OCV) are enrichment learning opportunities for scholars to connect their school experience with community partners
- Some of the OCV opportunities include:
 - Adventure Camp: Ken-Jockety
 - Byrd Polar Center at OSU
 - Orton Hall at OSU
 - Columbus Museum of Art
 - Ohio History Center
 - Thurber House
 - Grange Audubon Center
 - Shakespeare with Actor's Theatre

SEL NEEDS MET

- SEL (Social Emotional Learning) lessons are taught regularly by the school counselors.
- Advisory/FLEX period where teachers help scholars develop executive functioning skills and organize their assignments
- All teachers have fidgets, noise-cancelling headphones, and other tools to help scholars with impulse control and stress management.
