WELCOME MESSAGE FROM PRINCIPAL

Welcome back Briggs Families and Students. I am honored to serve as your principal for another school year. The first day of school for students is Wednesday, August 21, 2024. I want every student to be present on the first day of school and thereafter. We will host a family and staff meet and greet for incoming 9th grade students and new students on Thursday, August 15, 2024 from 6pm-7:30pm.

My main objectives this year are to continue to provide a safe learning environment and strengthen the existing academic and Social Emotional Learning structures which include our Bruin STRONG PBIS program, student Power of One leadership program, Student Led Restorative Practices. My other main objectives are to increase our community partners and alumni involvement, increase graduation rate, increase daily student attendance, academic performance on all state assessments, and student participation in our CCP(College Career Credit Plus) and AP courses, and student extracurricular activities. During the 2023-24 school year the percent of students passing the Algebra Ohio State Achievement test increased by 6% for the second year in a row, which makes our math algebra OST passing rate the 4th highest in the district. If you have any questions throughout the year please communicate with your child's administrator, counselors, and teachers.

Additionally, check the school website www.ccsbh.us/briggshs for ongoing updates and resources to stay up to date on important information, including staff emails, weekly Smores Family Engagement Newsletter and much more!

Attendance House Bill 410

It is important for your child to attend school every day. When your student misses a significant amount of school, even if the absences are excused, the child misses critical instruction time and learning opportunities. This often has long-term, negative effects on a child, such as lower achievement and a greater chance of not graduating on time. A new state law defines excessive absence and truancy: Excessive absence: a student misses 38 or more hours of school in a single month, or 65 or more hours in one school year, with or without a legitimate excuse. Truancy: a student is absent from school without legitimate excuse for 30 or more consecutive hours, 42 or more hours in one school month, or 72 or more hours in a school year.

Please report your child's absence:

Call 614-365-5639 Or Email

SCHOOL DRESS CODE

We are charged with preparing students for college and careers. This dress code aligns with this goal in that it prepares students to understand the level of dress expected in these areas. Some highlighted areas of the full CCS dress code (found on the CCS website) are:

Students must be appropriately covered at all times =

- No bare midriffs or shirts/dresses with straps thinner than 2 fingers in width.
- No halter/tube tops or dresses.
- No sleepwear or blankets / No Gang related apparel
- No t-shirts with drug or sexualized images or statements are permitted.
- Hoodies and hats are not to be worn inside the building.
- Shorts and skirts should be long enough so that when the arm is completely extended the hem reaches past the student's fingertips.
- No sagging pants, pants with chains or spikes on belts or spikes worn as jewelry, or ripped pants above the fingertips.

* Charity Newsies is a wonderful local organization that helps families with school clothing for children. Go to their website charitynewsies.org find more information on how they can help.

Guide to Student Success Handbook

The 2024-25 Student Guide to Success is now available. The publication contains important documents that must be filled out and returned to your student's school of attendance OR completed as part of the [Parent Portal Annual Update \(preferred method\) in Infinite Campus](#). The Annual Update can be accessed in the Parent Portal by first clicking on "More" and then "Annual Update." If your scholar has a form on file and he or she is remaining at the same school this year, a new form will not have to be submitted. If your scholar has changed schools or matriculated to a new school, a new form must be submitted. Separate forms must be on file for each individual student. [Click Here To View on CCS Website](#)

Arrival/Dismissal Procedure

1. All students must enter Briggs at the rear of the building as early as 7:00 am – please be cautious and drive slowly around the school as both staff and students are crossing the drive.
2. All students will be required to go through a security check. to remove all metal objects from his/her person (e.g., belt buckles, jewelry, keys, coins, batteries, electronic devices, etc.) and to place the metal objects and any bags, backpacks, briefcases, knapsacks, purses, or parcels on a table. Please [Click Here](https://www.ccssoh.us/Page/11349) for details regarding metal detector procedure (<https://www.ccssoh.us/Page/11349>)
3. Breakfast is served from 7:00-7:25 am and school begins promptly at 7:30.
4. All students should be at school on time. If a student arrives after 10:00 am, a parent or guardian must sign student in at the attendance office (front doors) with a written excuse.
5. If you need to pick your student up early for an appointment, please do your best to do so before 2:00 so that you will be able to exit – after this the buses will block the exit for the safety of students and so that the buses can exit promptly.
6. Students are released at 2:30 pm and are to exit the building unless they are here for an extra-curricular activity and supervised by a Briggs coach or staff member.

THE POWER OF ONE

STUDENTS LEADING THE WAY

Greatness doesn't just happen. It is created one step at a time. A skyscraper starts with one plan. A masterpiece starts with one simple brushstroke. And a student fully prepared to lead and serve begins with one community pulling together for the benefit of all. One teacher can inspire. One caring adult can support. One idea can change everything. And when we come together as one with students leading the way, we can accomplish the incredible.

WHOLE-CHILD FOCUSED

Columbus City Schools will design and implement curriculum with a holistic approach, so that students find their education more relevant, rewarding, and rigorous.

EQUITABLE OPPORTUNITIES FOR ALL

Columbus City Schools will ensure equitable outcomes for all students and employees, in order to create communities that promote excellence, personal and professional growth, and a culture of belonging.

STRONG LEARNING COMMUNITIES IN EVERY REGION

Columbus City Schools will strengthen a high quality, interdependent set of learning communities so that within and among these centers of growth are reliable sources of support, identity, and hope.
