

Student Name: \_\_\_\_\_ Snow Day Date: \_\_\_\_\_

**Attention Teachers, Parents and Students:**

Learning doesn't stop for a SNOW DAY! Please remember that students are expected to practice independent learning in the event that school is closed. Whenever school is closed, students are required to complete at least 5 topics in ALEKS (no more than 10) and read at least 2 articles in ACHIEVE3000. ALL STUDENTS KNOW THEIR USERNAME AND PASSWORD. The following checklist will serve as a guide.

This checklist is DUE THE FIRST DAY BACK from a SNOW DAY to the Homeroom Teacher. A parent signature is also required.

Please write each topic learned and the name of the article on the lines below.
