School Mission

"We exist to provide opportunities for student voice, tools to succeed and lead, and to cultivate thinkers who can change the world."

At Indian Springs Elementary, our mission is to provide opportunities for student voice, tools to succeed and lead, and to cultivate thinkers who can change the world. We do this by using researched based curriculum, looking at data to guide our instruction to meet the needs of all students, and to nurture students to be their best selves.

Students attend music, art, physical education, and library weekly. In 4th and 5th grade there are expanded instrumental and choir opportunities.

Our Staff, PTA and Family Ambassador work together to provide opportunities for parent and community involvement including things like the Mileage Club, Annual Pancake Breakfast, STEM Night, Falcon Fest and many more.

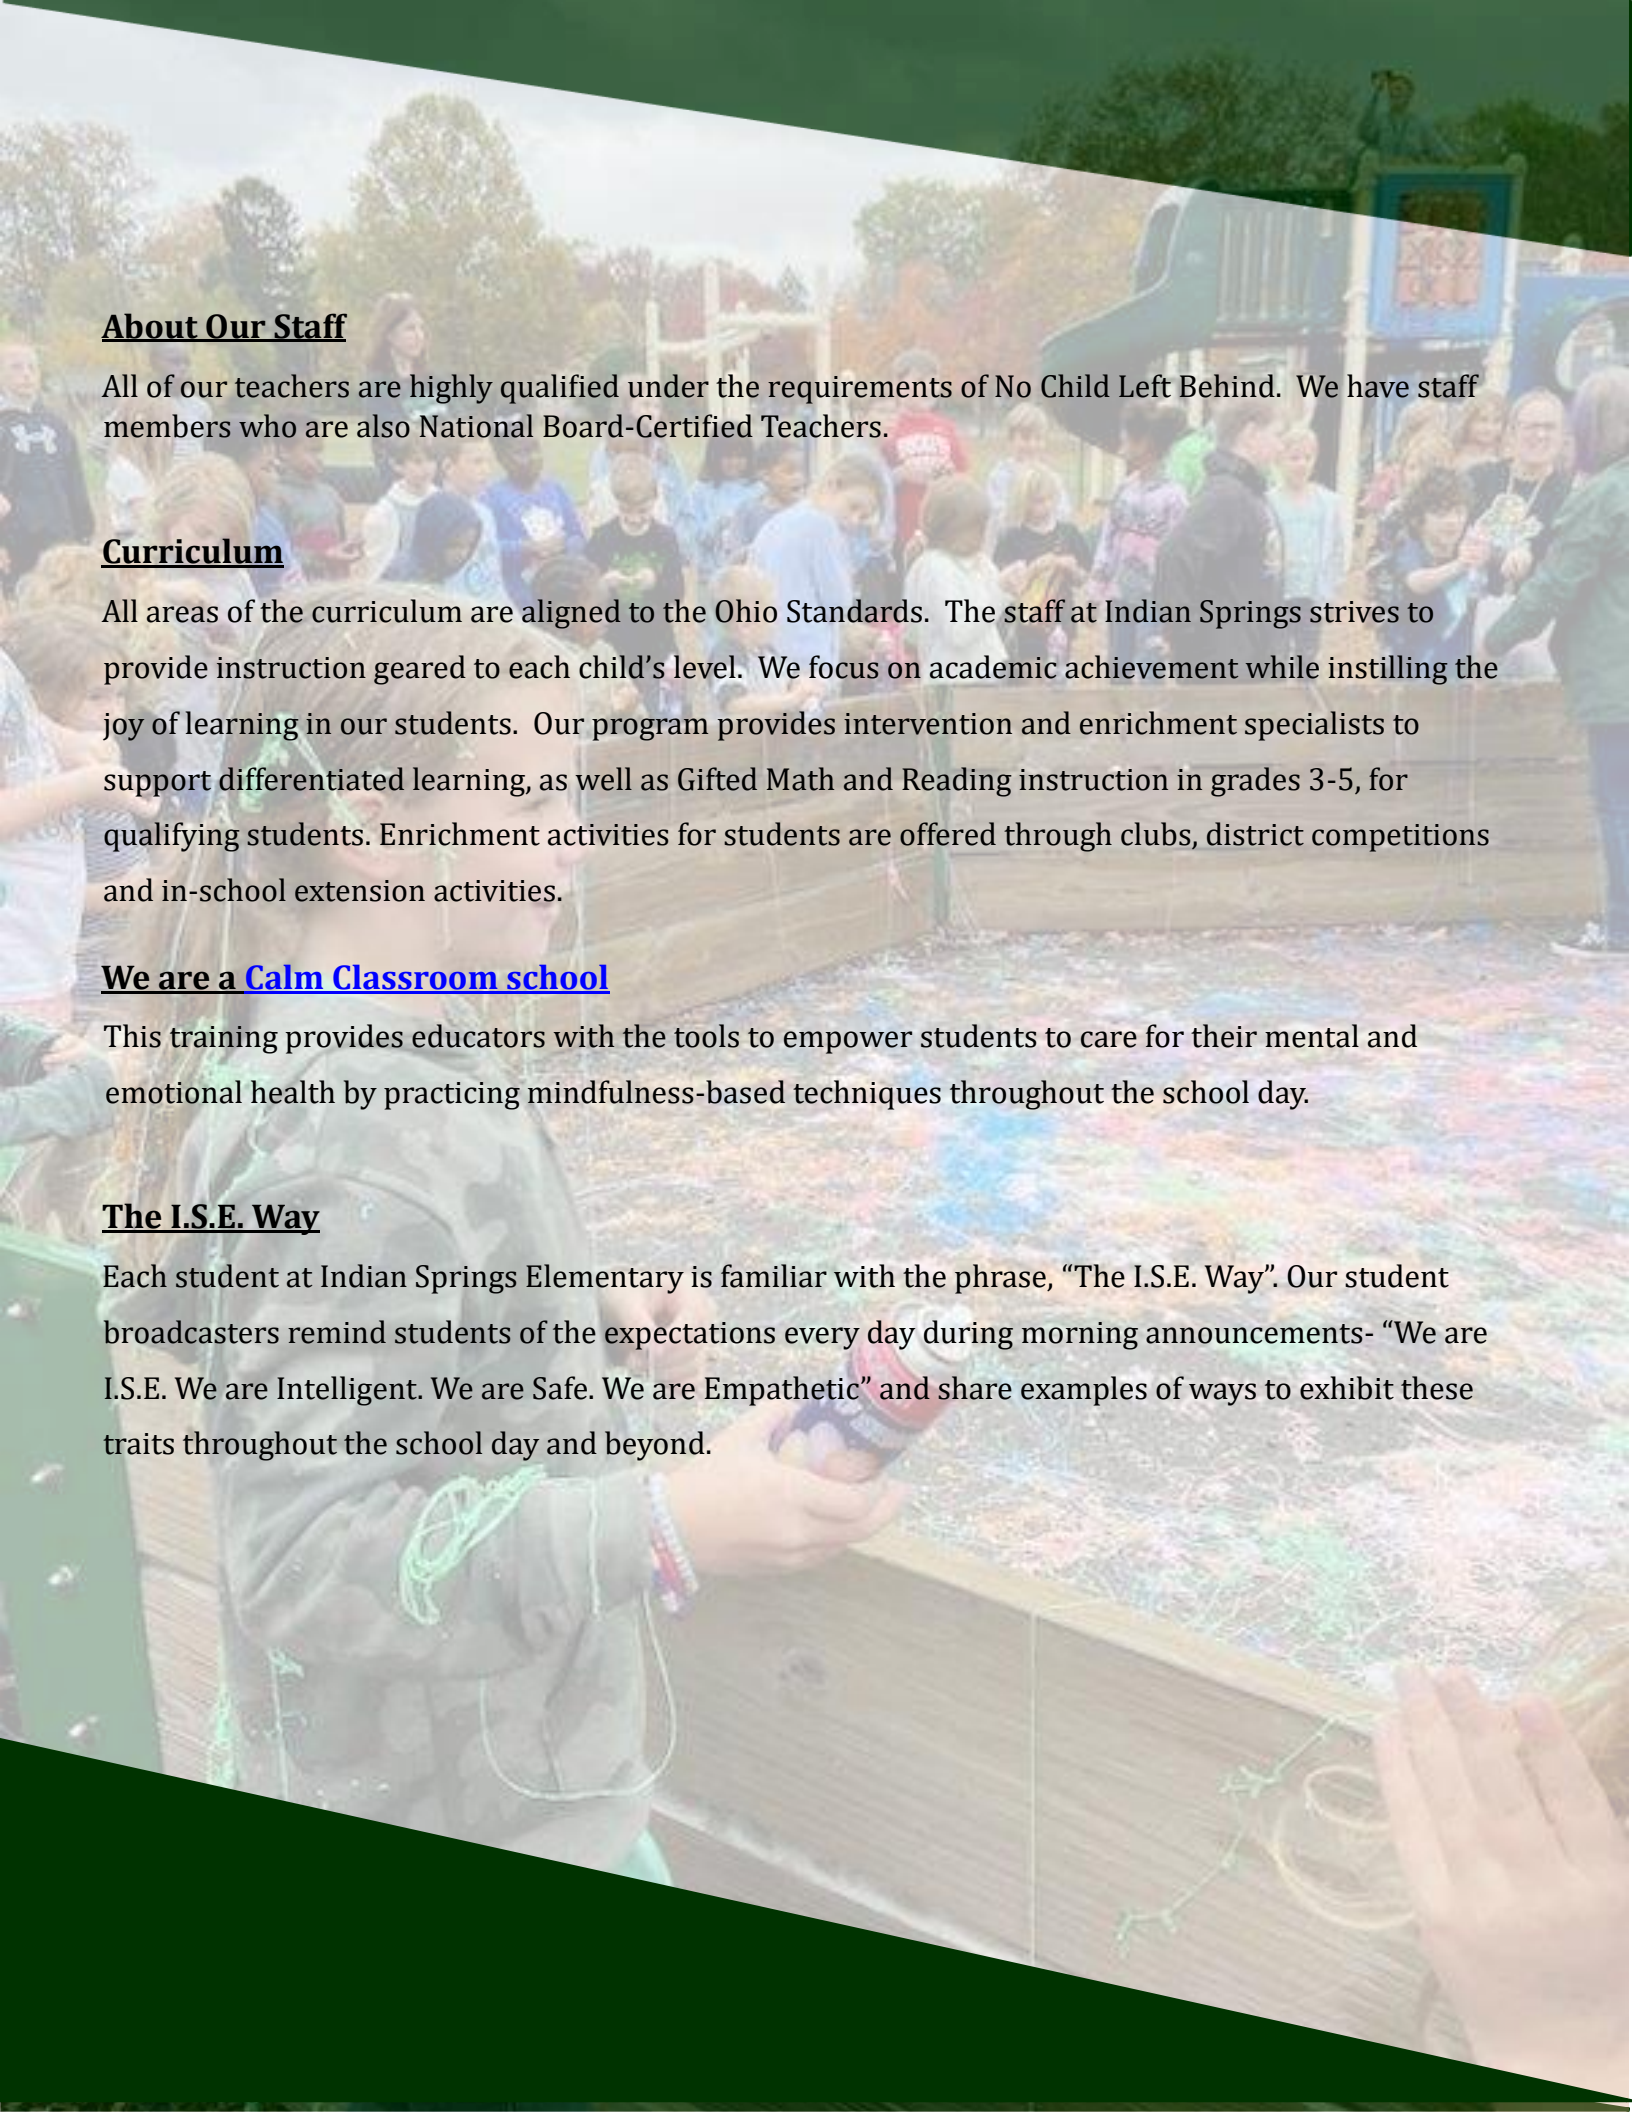

Our Core Values at Indian Springs Elementary:

Students' needs come first.

Compassion and empathy guide our decisions.

All voices are heard through the use of teamwork.

Please reach out to our Principal, Miss Horstman at ahorstman@columbus.k12.oh.us or 614-365-6032 for any questions, comments or ideas.

About Our Staff

All of our teachers are highly qualified under the requirements of No Child Left Behind. We have staff members who are also National Board-Certified Teachers.

Curriculum

All areas of the curriculum are aligned to the Ohio Standards. The staff at Indian Springs strives to provide instruction geared to each child's level. We focus on academic achievement while instilling the joy of learning in our students. Our program provides intervention and enrichment specialists to support differentiated learning, as well as Gifted Math and Reading instruction in grades 3-5, for qualifying students. Enrichment activities for students are offered through clubs, district competitions and in-school extension activities.

This training provides educators with the tools to empower students to care for their mental and emotional health by practicing mindfulness-based techniques throughout the school day.

The I.S.E. Way

Each student at Indian Springs Elementary is familiar with the phrase, "The I.S.E. Way". Our student broadcasters remind students of the expectations every day during morning announcements- "We are I.S.E. We are Intelligent. We are Safe. We are Empathetic" and share examples of ways to exhibit these traits throughout the school day and beyond.

What is PBIS?

Indian Springs Elementary has always strived to create a safe and positive learning environment for all students. In an effort to reinforce our positive school climate, staff at Indian Springs have worked together to develop a PBIS Plan. PBIS stands for Positive Behavior Interventions and Support. The philosophy of this program is that by rewarding students for positive behavior through tickets, positive praise, and rewards, students will begin to build intrinsic motivation to behave in a positive way which will help create a positive learning environment in all areas of the school.

Parent/Teacher Relationship

We believe that a good parent/teacher relationship is necessary for maximum school success. Throughout the year, we will communicate with you through [Talking Points](#), school email and phone calls. Do not hesitate to reach out with questions, comments or concerns. Please be aware that teachers may take up to 24 hours to respond. If there is an emergency, please call the office at 614-365-6032.

Attendance

We need to work together to make sure your child has regular and prompt attendance as much as possible. It is critical to success that students are at school by 9am and stay until 3:25pm. There is so much they can learn and enjoy each day. More information will be coming regarding our new CCS attendance initiative. Please make sure to call the office at 614-365-6032 or send an email to the address below if your child will be late or absent so that we can record it correctly.

Both breakfast and lunch will be provided free of charge for all interested students. Staff will be in the cafeteria to help students, but we do ask that you practice with your child how to open items that you will be including in packed lunches. We will always give/ask the student to try to open things on their own to gain their independence. The more they can open on their own, the less time they need to wait for assistance. We are unable to heat up student lunches, so please pack accordingly. Students will have 30 minutes to eat lunch.

Outdoor Recess

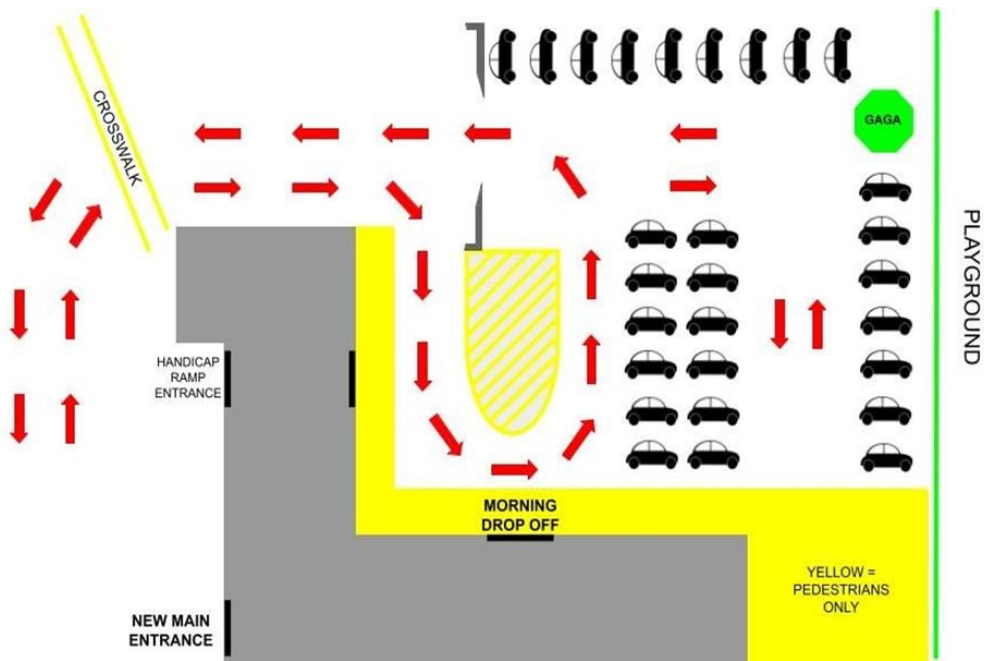

We will be going outside for recess every day (sometimes more than once) unless it is raining, lower than 20 degrees (including the windchill), or there are hazards (I.e., snow, ice). We have a lot of equipment to play on so please keep that in mind when choosing shoes for your child to wear. Flip flops are not permitted. Sandals need to have a back (behind the ankle). Children play hard, so good footwear is important. Also, please label coats, hats, gloves, hoodies, etc. We do our best to “reunite” lost clothing with students and labeling helps!

Arrival (see map below)

Students can enter the building at 8:30 for breakfast. Please do not drop your student off before an adult is at the door. Students will not be allowed to enter the building before this time. If your child is not eating breakfast, please try to drop them off after 8:45. Students are able to enter their classroom at 9:00 am.

Dismissal (see map below)

Students will begin to be dismissed from their classroom at 3:15 (KG & 1st) and 3:25 (2nd thru 5th). When a child leaves before dismissal, they need to be signed out. We will not call students down for early release at 3:00 or later. They are working hard in their classroom and may miss important information if they leave early. You will receive two pick-up passes on the first day of school in order to create a safe and expedient dismissal. You will need to have this pass **every time**. If you forget it, then you will need a picture ID.
