COLUMBUS CITY SCHOOLS

Columbus City Schools Mission Statement

Each student is highly educated, prepared for leadership and service, and empowered for success as a citizen in a global community.

Columbus City Schools Vision Statement

A world-class model of public education that prepares members of our communities to reach their full potential.

Columbus City Schools District Goals

Columbus City Schools has established District-wide goals that are focused on three key principles:

1. Each student reaches the student's full potential; to continue education, serve in the military, go to college, start a business, and enter the workforce as a life-long learner.
2. The district creates safe, student-centered, innovative learning environments and recruits, develops, and retains world-class talent.
3. The District is accountable to our communities and customers; confidence in the District is maintained through strategic, responsible and transparent leadership.

DRESS CODE for STUDENTS

The Columbus City Schools is committed to establishing a positive learning environment in class, on campus and at school events. The Board of Education believes that appropriate dress and grooming contribute to a productive learning environment. The dress code represents that commitment and applies to all students. Students are responsible for following the dress code. Parents are responsible for ensuring students are dressed appropriately for school. Staff members are responsible for enforcement. The dress code is enforced at school and school functions not open to the public.

These guidelines are intended to prevent disruption of the classroom atmosphere, enhance classroom decorum, eliminate disturbances and minimize distractions of other students so as not to interfere with the educational process. These guidelines are also intended to help

The Columbus City School District does not discriminate because of race, color, national origin, religion, sex or handicap with regard to admission, access, treatment or employment. This policy is applicable in all district programs and activities.

protect the health and welfare of the individual student. School building principals shall have the authority to further define dress code requirements for their individual school buildings in order to maintain the principles of this policy and consistent with the unique circumstances of their individual schools or grade levels.

All students shall abide by the following:

- 1) All clothing shall be within the bounds of decency and good taste as appropriate for school. Clothing shall be sufficient to conceal undergarments at all times.
 - a) Dress and skirt length shall be within the bounds of decency and good taste and not shorter than mid-thigh.
 - b) No bare midriffs. As a test for appropriate length, student bodies shall not be exposed when arms are raised above their heads. Tops may not be low cut, off the shoulder or otherwise revealing. Tube tops, spaghetti strap tops, halter tops and/or any strapless top or dress which reveals the midriff or breasts are neither acceptable nor permitted. No undershirts shall be worn as outer wear.
 - c) Clothing may not be "see-through." Shirts must be worn at all times and must be sized appropriately so that they do not interfere with normal school activities.
 - d) Shorts and skirts may not be shorter than mid-thigh.
 - e) Shorts, pants, and skirts shall have no writing across the seat area.
 - f) Clothes may not be tight or form fitting.
 - g) No sleepwear.
- 2) Shoes must be worn at all times. Flip-flops, slippers/bedroom shoes and beach shoes are not permitted.
- 3) Commercial lettering or printing will be allowed on shirts and sweatshirts as long as it is acceptable for school attire. Clothing and jewelry shall be free of writing, pictures or any other insignia which are crude, vulgar, profane, sexually suggestive or which advocate negative racial, ethnic, gender or religious prejudice, or use or glorification of drugs, tobacco, alcohol or violence.
- 4) Hats, caps and other types of head covering (other than for religious purposes) shall not be worn inside buildings.

Attendance Policy

The Columbus City Schools accepts the following excuses for pupil absence:

- Personal illness or quarantine (a written physician's statement verifying the illness may be required.) The absence of a student from school due to quarantine of the home shall be limited to the length of the quarantine as determined by the proper health officials.
- Illness or death in the immediate household. The absence of a student from school due to the death in the immediate household shall be limited to a period of three days unless reasonable causes may be shown to the principal for a longer absence.
- Emergencies or any other occurrence or situations which, in the judgment of the superintendent or designee, may necessitate absences from school for good and sufficient cause.
- Religious Holiday
- Medical or dental appointment (a written statement from a physician or dentist verifying the appointment may be required)
- Any other reason pursuant to Ohio law.

Because student learning is first and foremost and there is a tremendous amount of subject matter taught each day, regular daily attendance at school is a necessity. If your child will be absent from school, please call the office at 365-6482 before 9:30a.m **EACH** day your child will be absent. **A written note MUST be received within 48 hours upon his/her return explaining**

the reason for the absence, date(s) of absence, and the signature of the parent or guardian. If a written note is not received, the absence will be recorded as **unexcused even if you called the office.** You are responsible for contacting the teacher to make up any assignments missed during the absence. Failure to make up assignments may affect your child's grades. Excessive absences will be reported to the school social worker.

Tardies

Students will be allowed to enter the building beginning at 8:30a.m. Any students arriving after 9:00 a.m. **must report to the office with a parent** and will be considered tardy. All students are expected to be at school and in classrooms by 9:00 a.m. Tardy students disrupt the school environment and classroom learning. Please cooperate and make certain your child is at school on time EACH day. Excessive tardiness will be reported to the school social worker.

Note: Bus riders are not counted tardy if they ride the bus and the bus arrives at school late.

Early Dismissal

If you need to pick up your child early, we ask that you do so before 3:15pm. You must check in at the office. Students will only be released to authorized adults as indicated on the emergency card and with a valid state issued picture I.D. Remember during this time, teachers are finishing instruction, giving homework assignments, preparing the class for safe dismissal, and finishing the day's tasks. **ALL** early dismissals will be documented and referred to the school social worker if they become excessive. **An early dismissal is defined as one that requires you to sign out your child at the office before the official end of the school day.**

Discipline

Discipline is viewed as a positive at Liberty Elementary School. Our goal is to move from imposed consequences to self management and responsible decision making by our students. This requires that students be given choices and the opportunity to experience both the positive and the negative consequences of their choices. In most cases, choices and consequences will be worked out between the student and teachers. Some circumstances, however, may also require principal, counselor, and/or parent involvement.

Guide to Positive Student Behavior

It is the expectation that all parents and family members will support our efforts to create and maintain a safe and peaceful school environment. The policies and procedures of the Columbus City Schools support schools, parents, and students by providing the Guide to Positive Student Behavior updated each school year. During the first week of school, your child will be bringing

home this document. Please read it carefully and keep it for future reference. PLEASE SIGN AND RETURN THE FORMS IN THE GUIDE LISTED BELOW:

- a. **Parent and Student Sign-Off Form** (p. 20)
- b. **Internet Acceptable Use and Policy Consent Form** (p. 21)
- c. **Consent for Release of Student Information** (p. 22)
- d. **Parent-Student-School Compact** (p. 23)

PEAK / Timeout & In-School Suspension

Students not compliant with classroom timeouts may be sent to positive enforcements (PEAK) during the school day. Students unable to abide by PEAK rules may be referred to the office. When this situation occurs parents will receive a phone call home and a note informing you of the infraction.

OFFICE REFERRALS

Each staff member will attempt to manage discipline within their classroom. In the case of repeated and/or serious violations the principal will be involved. Parents will be contacted and may be required to attend the school for a conference to assist with resolving the problem. Possible consequences for the infraction of school rules may include, but are not limited to: PEAK, Out of School Suspension, restitution, detention, or loss of privileges. (Please consult the *Guide to Positive Student Behavior* for more detailed information.)

STUDENT EMERGENCY & AUTHORIZATION CARDS/PARENT PORTAL

Please return the Student Emergency (yellow) and Authorization (white) Cards to school and notify the office when your address, telephone number, or place of employment changes. We need to know how to reach you should an emergency with your child occur. These cards are also used to determine who is permitted to pick up and/or sign your child out of school. *This information must be kept up-to-date.* In addition, ensure your contact information is up to date in the Parent Portal.

CLOSING SCHOOL(S)

Closing All Schools for an Entire School Day:

The decision to close all schools for an entire day because of an Emergency will be made and announced by the Superintendent. Radio and television stations will be asked to broadcast school closing announcements, beginning no later than 6:30 a.m. on the day of the Emergency closing.

Closing All Schools During the School Day:

The decision to close all schools and dismiss students during the school day because of an Emergency will be made and announced by the Superintendent: Public announcements will be made immediately after the schools have been notified.

Closing an Individual School During the School Day:

The decision to close an individual school during the day and dismiss students will be made by the Area Superintendent and or the Chief Operations Officer, acting on available information and the recommendation of the school administrator. The Superintendent's approval will be required. Public announcements will be made after the school administrator has been notified.

Please be sure you have filled out the Emergency Dismissal Form. In the event schools are closed as mentioned above, parents should instruct their children as to where they should go if no one will be at home.

POSITIVE BEHAVIORAL INTERVENTIONS & SUPPORT (PBIS)

During the 2019-2020 and 2020-2021 school year, Liberty was awarded the Bronze award for our consistent implementation of PBIS strategies throughout the campus. We encourage positive behavior by providing positive reinforcements and incentives. Students will have the opportunity to earn incentives daily, weekly, monthly, and quarterly. Students who do not get sent to PEAK will be rewarded during each nine-week period with a **PEAK Free** Activity. Classrooms may also have specific incentive programs in place to promote a strong academic focus and positive behavior.

Liberty's Behavior Expectations are:

Be Respectful: Treat others the way you want to be treated.

Be Responsible: Do the right thing, even if the right thing is hard.

Be Safe: Make choices to keep yourself and others from getting hurt.

Be Kind: Use kind words, gestures, and actions with others.

We will be celebrating positive behavior and reinforcing these expectations in the following ways:

Liberty Loot (Daily): Teachers and staff will hand out Liberty Loot daily to students who are displaying the Liberty expectations. Students will place their tickets into their classroom drawing box that will be drawn from at the end of each week for a prize!

Liberty Loot (Weekly): Every Friday (another day may be chosen, if needed), teachers will pull two names from their Liberty Loot box and send those names to the office. Student names will

be announced over the PA and students will come down to the office to choose a prize from the principal's closet.

Lion Paws (Weekly): Classes are able to earn lion paws when a staff member or adult other than the classroom teacher "catches" a class being respectful, responsible, safe, or kind. For example, classrooms can receive a lion paw from the playground teachers when they line up quietly or from a staff member who sees them walking responsibly in the hallway. Once classes earn 10 lion paws, they will be rewarded by the principal on Friday afternoon.

Liberty Lion (Student) of the Month (Monthly): Each classroom teacher will nominate one student each month week who has gone above and beyond meeting behavior and/or academic expectations. Students will have their picture taken for a recognition bulletin board and receive a reward. Liberty Lions of the Month will receive public recognition and have lunch with the principal.

Teachers use the following criteria to recognize students monthly:

- Is respectful to teachers, students, and others
- Has good attendance at school
- Practices self-control
- Works well with others
- Accepts responsibility
- Follows directions
- Does work neatly and completely
- Completes homework assignments
- Is cooperative in class
- Has a positive self-image
- Demonstrates the word of the month habits

LIBERTY LIONS Classroom Attendance Reward (Daily): The purpose of this reward is to encourage perfect attendance. Each classroom will receive a LIBERTY LIONS poster to display outside of their classroom. Each day after attendance is taken, classrooms who have 100% perfect attendance (no tardies or absences) will color in a letter of LIBERTY LIONS. Students riding late buses are excluded. Once all letters of LIBERTY LIONS have been colored in, the classroom will earn a party of their choice. Once a classroom receives a party, they will receive a new LIBERTY LIONS poster to start over.

PEAK-Free Reward (Monthly): We will have a school-wide PEAK (and suspension)-Free celebration at the end of each month for all students who were not sent to PEAK and were not suspended.

Playground Expectations

A fifteen to thirty-minute period of outside recess is provided daily (weather permitting). Our playground rules are created in order to promote fair play, cooperation, and safety. Contact sports, such as football are not permitted because they often result in injuries and misunderstandings. Students will be supervised during this time and should always ask a staff member for permission before re-entering the building. We also expect our students to follow these general playground rules:

1. Line up safely.
2. Walk to and from the recess line.
3. Use appropriate language.
4. Share all playground equipment.
5. Invite other to join in play.
6. Return playground equipment.
7. When you hear a siren or whistle **Freeze, Wait** for direction, then **WALK** to your recess line.
8. Follow directions of all CCS staff.

ANTI-HARASSMENT POLICY

In accordance with federal and state laws, the Columbus City School District will not tolerate harassment against any staff member or student on the basis of sex, race, national origin, religion, age, disability, or sexual orientation. Harassment shall be defined as slurs, jokes, intimidation, or any verbal or physical attack directed at an individual's sex, race, national origin, religion, age, disability, or sexual orientation. Please be sure to review this policy with your child at home. Our staff will review it periodically with students throughout the school year.

PERSONAL PROPERTY

The school can assume no responsibility for any personal property of students. Therefore, radios, cell phones, tape recorders, excess money, and toys should not be brought to school. Items of clothing and lunch boxes should be clearly marked so they can be quickly identified and returned to the rightful owners. All items that are found are kept for a limited amount of time in the "lost and found" box.

CLASSROOM VISITATION

We encourage parents/guardians to visit the school. Classroom visitation provides you an opportunity to observe the great things happening in the classrooms and to view your child's

relationship with his/her peers. Every adult must check in at the office with a state- issued I.D. upon entering the building. Please enter through the front door. We ask that classroom visitations do not disrupt the school environment or the learning process. ***If a court has ordered restrictions against any persons regarding visitations with your child, please provide us with copies of the court orders.***

OPEN HOUSE

Open house will be held in September for each grade level. The purpose of open house is to allow our staff members to explain their grade level curriculum, inform you of their expectations for your child, and to improve communication between the parent and the classroom teacher. The schedule for future meetings will be posted on the school's website or school newsletters'.

VOLUNTEERS

Students feel a sense of pride when they see their parents and others helping in their school. Parent volunteers are eagerly sought and much needed at Liberty Elementary School. We can use you in any area in which you feel comfortable. We need volunteers, not only in working with students, but perhaps even more importantly, assisting with working on building projects or special activities. Whatever your talents or skills are, we can use your assistance. Please let us know if you would like to help.

CONFERENCES

The school staff is always eager to meet with you to discuss your child's progress or any aspect of the school program. Parent-teacher conferences are scheduled District-wide twice during the school year. Report cards will be issued at the end of each nine weeks. See the school calendar for exact dates. You are encouraged to meet with your child's teacher as often as possible in order to discuss academic/behavior progress. Parents and/or teachers may request a conference at any time during the school year to discuss a child's progress in school.

STANDARDS BASED STUDENT REPORT CARDS

Liberty Elementary will continue to use the *Standards Based Student Report Card*. This student report card is designed to give parents information on how their child is performing in relationship to the Common Core and Ohio Academic Content Standards. The Columbus City Schools curriculum includes Common Core curriculum, and the Ohio Academic Content Standards required by the Ohio Department of Education. The standards are statements of what students should know and be able to perform. Standards determine what teachers teach and what students learn.

The **ACHIEVEMENT GRADES** on the Standards Based Student Report Card are actually based on the student's achievement in that content area. **SOCIAL BEHAVIORS** and **WORK EFFORT** are addressed in separate parts of the Report Card. By separating achievement and behavior, the card is able to give a good picture of actual student knowledge.

Within each subject area, the standards that make up the subject area are separated. Instead of getting a single grade in math, for example, the card is broken up into the more specific areas of the content area of math. Knowing the specific strengths and weaknesses of a student will help teachers and parents focus the assistance that is offered at school and at home.

Grades are a report of whether the student is proficient in a standard. Grades on this Standards Based Student Report Card are NOT averaged for the nine weeks or for the year. Students who may have struggled with a concept at one time may later demonstrate proficiency with that same concept.

· The KEYS for Levels of Performance in **ACHIEVEMENT** are as follows:

4 - Advanced	Consistently EXCEEDS required level of performance (above grade level work)
3 - Proficient	Consistently MEETS required level of performance
2 - Basic	PROGRESSING TOWARD required level of Performance
1 - Below Basic	Consistently WORKING BELOW required level of performance

Advance written notice of all field trips is sent to parents to sign a permission slip allowing their child to participate. Verbal permission will not be accepted. In addition, an emergency card must be on file with the office.

Parents assisting teachers as chaperones on a field trip should remember that they will have students in their care and, therefore, cannot bring younger siblings.

COMMUNICATION

To keep you informed of school happenings, a newsletter will be sent home monthly. All newsletters will be printed on colored paper to make them easily identifiable. Additional reminders and classroom information may be sent home periodically by individual classroom teachers. A monthly school lunch menu will be sent home with each student.

If you have information, questions, or concerns, please feel free to call us. We welcome and encourage open communication.

SAFETY PATROL/CROSSING GUARDS

1. Every effort is made to provide adult safety patrol at areas around the school to ensure that students get across busy streets safely. Beginning at 8:30 am, staff (and student patrols) will be positioned at the crosswalk next to and across the driveways of the school on Whitlow Road to cross students that walk to school. Depending on the number of patrols available, crossing guards will also be positioned at the crosswalk (from corner to corner) crossing Paladim Place to cross students that walk to school.
2. Students and adults are expected to follow the direction of the safety patrol workers.
3. Safety patrol workers may not be on duty due to unexpected absence and/or inclement weather. Please make sure that your child can cross the street safely with or without a safety patrol.

MINOR ACCIDENTS - TREATMENT

Minor cuts and bruises are cleansed with soap and water and a light, dry sterile bandage will be applied. Please be sure to check your child should he/she come home with a bandage on.

ILLNESS

If a child becomes ill during the day, every effort will be made to contact the parent or guardian. Emergency Information and Emergency Medical cards will be sent home with your child on the first day of school. Please return these cards as soon as possible.

MEDICATION

Students are not permitted to possess and use prescribed medications or over-the-counter medications during the school day. ALL Medications must be given to the principal, secretary, or school nurse. We must have on file the following forms, available in the school office, before we can give any student medication:

- Written permission from the parent or guardian
- A physician's verification of the necessity for the medication to be taken during the school hours and identification of the medication, dosage, and time interval it is to be taken

SEVERE ALLERGIES

It is the responsibility of the parent to notify the school of a student's severe allergies. In dealing with severe allergies, the school will call the emergency squad and the student's parents or guardians immediately. **Please see the food allergy policy that was sent home and return the snack permission form to school.**

Ohio House Bill 1, ORC 3313.719, has directed each board of education to establish a written policy with regard to peanut or other food allergies.

The Columbus City School District is committed to providing a safe school environment that promotes and protects student well-being. The District recognizes that food allergies, in some instances, may be severe and even life threatening, and has adopted a Food Allergy Policy to create a framework for accommodating students with known food allergies and reduce the likelihood of allergic reactions at school.

We recognize that classroom celebrations are an integral part of every child's educational experience and that historically such celebrations may involve food. To minimize possible food allergy reactions, **no food** will be distributed by means other than the school breakfast/snack/lunch/vending programs. If you would like to provide items to your student's classroom for activities such as a birthday, we suggest that you provide non-food items. Non-food item ideas include: pencils, erasers, stickers, bookmarks, a game to play, or a craft. Please see your child's classroom teacher for additional ideas.

BREAKFAST AND LUNCH PROGRAM

Meal Prices: Breakfast: FREE Lunch: FREE Milk: FREE

Breakfast and lunch will be served beginning at 8:30 a.m. All students will receive free breakfast and lunch this school year. Lunch count is taken each day at 9:15 a.m. A child must be in school by this time to be included in the lunch count. If you know your child is going to be arriving late, please call the office before 9:30 a.m. so that he/she can be counted. School lunches are prepared based upon the morning lunch count.

- Car riders may be dropped off at the rear of the building and staff will be there to assist with arrival.

DISMISSAL PROCEDURES

- Car riders, daycare van riders and walkers are dismissed at 3:15 pm. Bus riders are dismissed at 3:30 pm.
- Car riders and daycare van riders are dismissed from the rear of the building. Walkers and bus riders are dismissed from the front of the building.
- All kindergarten children who are to walk home from school must be accompanied home by a parent or other designated person. Parents must report to their designated dismissal area each day by 3:15 pm in order to pick up the student. **Kindergarten children who walk home will not be released to walk home alone.**
- All car riders will be dismissed from the rear of the building. Parents will use the PICK UP LANE ONLY AND MUST REMAIN IN YOUR CAR. Students will be brought out by

staff to cars with a CAR RIDER DECAL. IF YOU DO NOT HAVE A DECAL, YOUR STUDENT WILL NOT BE RELEASED. ALL DECALS SHOULD BE ON THE RIGHT HAND SIDE OF YOUR DASHBOARD OR HANGING FROM THE REARVIEW MIRROR. This will assist us in getting students into cars. Decal signs can be picked up in the office.

- Students who need to be dismissed before the end of the school must be signed out in the main office. After they have been signed out, the secretary will call the classroom and the child will be sent down to the office. Students will not be dismissed by the teacher until a call is received from the office.
- If you need to come into the building at dismissal, be sure to park your car in a designated parking space. **Cars cannot be left unattended in the drop-off/pick-up lane at any time.**
- Cars/Vans/Other vehicles should only drive on the paved service road and parking lot driveways. Driving on the grassy median, around the other cars, is not permitted.
- For the safety of the children and school personnel, please follow the posted school zone speed limits and remain patient if the traffic becomes congested during dismissal. Please remain alert and look out for the children at all times.
- Please be aware that car rider dismissal may take longer than usual during inclement weather (rain, snow, ice) days. Again, please remain patient and we will get your child to you as soon as possible.
- Identified middle and high school students will be permitted to pick up students on an as-needed basis, with written authorization from a legal guardian.

MIDDLE AND HIGH SCHOOL STUDENTS

Middle and high school students and other elementary school students who do not attend Liberty Elementary will only be allowed on the premises during dismissal on an as-needed basis as determined by an understanding between the parent and the principal. Groups of students who do not attend Liberty will not be permitted to gather on school property or to disrupt or threaten the safety of the students and staff. Areas that are off limits to the above mentioned students are as follows:

1. Inside the School Building
2. Outside the Front or Rear of the School
3. The Playground
4. The School Parking Lots

5. Any Other Area as Determined by the School

Students who refuse to follow the directions of school personnel will be reported to CCS Safety and Security, the Columbus Police, and/or the student's assigned school principal.

EMERGENCY PLANS

1. It is essential that we have an emergency card and a medical authorization card on file for each student. This will help us contact you in the event that your child is ill or injured.
2. We must have at least two people listed on each emergency card, other than the parent, who can be responsible to reach you or to pick up your child if you can't be reached. Please select those who we can reach by telephone.
3. You must notify the school immediately if your phone number and/or address changes.

PLEASE LET YOUR CHILD KNOW WHERE HE/SHE CAN GO IF YOU ARE NOT HOME AND SCHOOL MUST BE DISMISSED EARLY DUE TO AN EMERGENCY, SUCH AS A POWER FAILURE OR SEVERE WEATHER. It is not possible for us to contact every parent by phone, so it is your responsibility to make sure that your child knows a safe place to stay, should such an event occur. You will be asked to fill out a form indicating this information. Please return it to the school ASAP. An emergency closing that would take place once the school day has begun will be announced on local radio and T.V. stations.

BUS TRANSPORTATION

The bus driver is responsible for the safety of all students who ride the bus. Any student, who does not follow the rules on the bus, will be referred to the principal. **Students must respect the following bus expectations:**

1. Use a level one voice.
2. Walk to your bus.
3. Enter and exit the bus quietly.
4. Get on the right bus and get off at the right stop.
5. Keep your feet out of the aisles.
6. Remain seated at all times.
7. Look for the driver to help you cross the street.
8. Follow directions of all CCS staff.

TRANSPORTATION PROCEDURES

If Your Child Is Extremely Late Coming Home On the Bus:

1. Allow time for the bus to arrive after its scheduled time. It could be delayed due to heavy traffic or inclement weather.
2. Call the homes of your child's friends to see if he or she is visiting another child.
3. Make sure you know your child's route number and stop location. Call the Transportation Department at **365-5074** for information, check the district website at www.columbus.k12.oh.us, or follow CCS transportation on Twitter for up to date information on the bus routes.
4. Contact the school for further information.

If Your Child Misses the Bus Going to School:

1. Please instruct your child as to procedures which he or she should follow if this should happen to occur. If you are home, the student could return home and be brought to the school. If, however, you are not available, enlist the help of a friend or neighbor to whom the child can go for transportation to the school or for a phone call to your location.
2. Please help students to remember that they should **be at the bus stop five minutes prior** to the scheduled time for the bus.

Rules and Regulations for Bus Students:

At the beginning of each school year, the Bus Information Card containing the Bus Rules is to be sent home with each student who is eligible to ride. Parents read and sign the card and return it to the bus driver immediately. Copies of the bus rules are being sent home by each school in their parent/student handbooks for reference. The Driver must turn into his/her supervisor one card for each student transported. The bus driver is responsible for the management and safety of students and is responsible for enforcing these rules.

1. Changing from seat to seat while the bus is in motion is prohibited.
2. Students must ride the assigned bus. No unauthorized passengers are permitted.
3. At railroad crossings and other danger points, all talking and noise is prohibited.
4. A pupil extending any part of his/her body through a window or spitting or throwing any object from a window is prohibited.
5. Smoking, eating, drinking, or littering on the bus is prohibited.
6. Transporting of animals, pets, or glass containers on the bus is prohibited.
7. Parents are responsible for any damage or marking of the bus by students.
8. School buses are not permitted to stop longer than necessary to pick up students. School buses will not wait for tardy students.
9. Students are to get on and off the bus at assigned stops only.
11. Play fighting, punching, kicking or hitting is not permitted!

MULTI-TIERED SYSTEMS of SUPPORT (MTSS) TEAM

Liberty Elementary School is committed to the success of all students and recognizes any student, at some time during his or her school years, may require support from the MTSS Intervention Team in order to achieve school success. This team is a school-based group of educators with a common mission to strengthen and support students who are having difficulty in the school environment. The MTSS Team intervenes as early as possible when there is a concern about a student's success, academically or behaviorally.

Parents are critical to the success of their children and are invited to participate throughout the MTSS process. During the MTSS meetings, the parent(s) sits as a full member of the team when his/her child is discussed. Various staff members, such as regular and special education teachers, school counselors, psychologists, social workers, nurses, and/or administrators, are also members of the team.

LATCHKEY

Liberty does have a latchkey program from 7:00-9:00 am and 3:30-6:00pm. If you are interested in LATCHKEY services, call Ms. Angela at 614-365-6482 between 7:00-9:00 am and 3:30-6:00 pm. You may also contact the Latchkey office at 365-5891.

MEDIA CENTER

The media center is more than just a library. It is a vital part of our school. A media center is books, audiovisual materials, fun, learning, but most of all, it is a part of your child's school life, a child's classroom, and a child's educational growth. The teacher and the media specialist work together planning lessons and skills which will teach and enrich the child in every grade, subject, and learning process.

REPORTING ABUSE AND/OR NEGLECT

Incidents of child abuse must be reported to the proper authorities as outlined in the Ohio Revised Code. The Ohio Revised Code (ORC) 5105:2 - 35-05 identifies persons required to report suspected child abuse and neglect. The staff at Liberty Elementary School are mandated reporters and will report any suspected incidents of abuse to Franklin County Children's Services.

THE PLEDGE OF ALLEGIANCE POLICY

The Board of Education adopted a policy to require that each school day begin with the pledge of allegiance. According to Board policy and state law, no student is required to participate in the recitation of the pledge. The pledge of allegiance will be recited in our school at the

beginning of each day school is in session. Please let us know if you do not wish your student to participate in the recitation of the pledge of allegiance.

Dear Parents,

At Liberty Elementary School, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal rules related to teacher qualifications as defined in No Child Left Behind. These rules allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. Parents have the right to:

- have access to their child's individual performance levels on statewide assessments.
- know if their child's school is making progress.
- know the qualifications of their child's teachers, and
- be informed if their child is being taught by a substitute or a non-highly qualified teacher for longer than four consecutive weeks.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's progress or an assignment to a teacher or paraprofessional, please contact me or the assistant principal at (614) 365-6482.

Sincerely,

Shalonda Likely-Roach
