

# Victoria Pasini, MSW, LSW

Dear Liberty Elementary School  
Parents, Guardians, and Students:

My name is Victoria Pasini and I am  
honored to serve Liberty as the School  
Social Worker for the 2020-2021  
academic school year.

I am a Columbus native and received both my Undergraduate and Graduate degrees from the University of Cincinnati. My goal for this year is to assist with non-academic barriers that are hindering a student from academic success and be a link between home, school, and the community.

My door is always open to you – both students and parents, and I am excited to get to know you! I look forward to a great school year at Liberty Elementary with you and your student.

Best,  
Victoria Pasini, MSW, LSW  
School Social Worker
