Donuts with Dads - Apr. 9th

EARLY RELEASE - Apr. 17th at 3:00 PM

Spring Break - April 18th through April 25th  
- SCHOOLS CLOSED

# A PBIS Quick Recap

The 24-25 school has been a whirl-wind of growth for our students. Some have grown academically while others have matured and their behaviors have gotten better, so that they have been able to self-regulate and apply the SEL skills taught to them. Still other students have had their attendance improved and we have seen a shift in student leadership and positive friendships.

As we focus on the positives, our **Compliment Ticket program** has seen the students redeem about 24,246 compliment tickets to date. Kudos to both our students and staff for making this PBIS Tier 1 Incentive/Reward a success. See *next page for the LIONs Prides competition breakdown*)

When we think about building climate and culture within our building, we must congratulate our staff and students for our **Peace March and our Black History Excellence Gallery Walk**. These 2 great community building activities were fun and the students really enjoyed participating in both. There were banners made for the march and they were displayed around the school after the march to support and celebrate Black History.

The **Gallery Walk** was amazing according to both student and staff reports. From Pre-K to 6th grade the students were able to present their topic to those who visited their gallery (classroom) and had fun doing so. 6th grade took the idea of

the gallery walk presentation and in their Social Studies class with Mr. Brachat and they were able to present themselves to their classmates. They shared their lives with each other. Thanks to the Gallery Walk, another idea was born and the community building continued.

**Mr. Mayzum and the "Believe" shirt honorees** have enjoyed extra recess, special places in line, and so many more benefits from being a recipient of the "Believe" shirt reward system. This Tier 1 Reward supports the Honor Roll and Student of the Month awards, as well as builds community across classrooms and grade levels.

As part of the **Region III Extra-curricular Extended Learning League or REELL program**, our students enjoyed participating in both regular soccer and indoor soccer, plus continued with basketball and our 6th grade team became the 24-25 Region 3 Champions, bringing home the gold trophy! This program supported what we do during the day to build community, as well as provides our students with life skills to help them make better decisions and choices.

While we have made some great growth, we still have a few more weeks to go to make even greater growth. We are proud of our students and have much more to celebrate!

# Let's Celebrate!

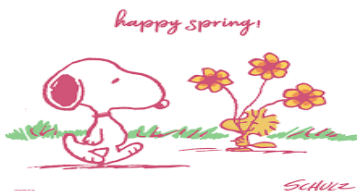

**Congratulations** to Ms. Becky, 3rd Grade IA, for being March's Staff Member of the Month!!!!

**Congratulations** to the 196 students who have not had any form of behavior referral for the entire school year!!! They will receive a special treat from Mr. Mayzum and the PBIS Team!

**Congratulations** to Pre-K for their 88% attendance for 3rd quarter to date. Kindergarten, 1st, 4th, 5th & 6th grades are holding strong at 85-87%. **Attendance is very important to academic success!** We celebrate you, the parents, as well for making sure your child attends school each day! Thank you!!!

**Congratulations** to our LION Prides staff & student:

- ◆ **1st Place:** Nobles have redeemed 7,471 compliment tickets
- ◆ **2nd Place:** Leaders have redeemed 6,745 compliment tickets
- ◆ **3rd Place:** Optimists have redeemed 5,163 compliment tickets
- ◆ **4th Place:** Innovators have redeemed 4,867 compliment tickets

## SPRING BREAK TIPS

To make Spring Break memorable and enjoyable for kids, **focus on a balance of fun activities, learning opportunities, and rest.**

Plan some outdoor adventures, like bike rides or picnics, and consider indoor activities like crafting or movie nights. Encourage screen-free time and incorporate educational elements to keep their minds engaged.

See other tips at: <https://www.pediatricsoffranklin.com/resources-and-education/pediatric-care/spring-break-safety-for-kids/>

**On behalf of Mr. Mayzum and the Livingston School staff have a safe, restful and fun Spring Break. We will see you back here at 8:30 AM for breakfast on April 28, 2025.**
