School Year 2018-19

Parents of Mifflin Middle School:

Each year, we notify parents that we are a Title 1 school, which enable you to request information regarding the professional qualifications of your student's classroom teachers, including the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas taught;
- Whether the teacher is teaching under emergency or provisional status through which State qualifications or licensing criteria were waived;
- Whether the teacher is teaching in the field of discipline of the certification or degree; and
- Whether the student is provided services by paraprofessionals and, if so, their qualifications

In addition, parents may request, with respect to such student:

- Information on the level of achievement and academic growth of student on each of the state academic assessments required; and
- Timely notice that the student has been assigned or has been taught for 4 or more consecutive weeks by a teacher who does not meet applicable State certifications or licensure requirements as the grade level and subject area in which the teacher has been assigned.

If you have any questions regarding the above information, please feel free to contact the school at your convenience.

Thank you
