Hybrid/Blended Learning Start

Virtual Parent Meeting

Wednesday, February 3, 2021

6:00-7:30 p.m.

# Northgate Intermediate Vision/Mission

## Vision

*Every student at Northgate Intermediate will make 2 years' worth of growth in reading and math by the end of fifth grade using current district/statewide assessment tools for evaluation.*

## Mission

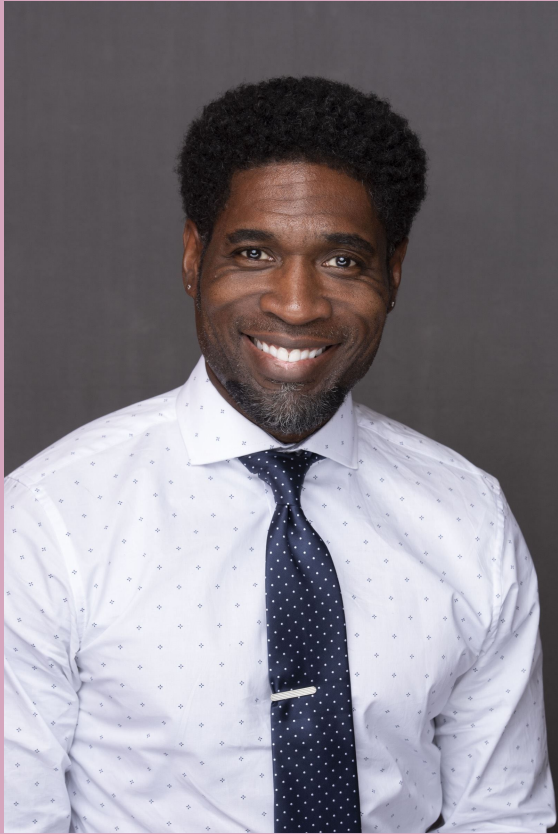

*Northgate Intermediate's Mission is to provide a positive, cooperative learning environment where students, staff, and families set high expectations, are engaged, and motivated to increase student academic and behavioral successes through quality learning opportunities and to prepare students for success in middle school.*

# THE PRINCIPLES OF NORTHGATE INTERMEDIATE

1. **Order**: I am in control and organized.
2. **Balance**: I will work to achieve equality among my home, school and social life.
3. **Harmony**: I will work with others peacefully.
4. **Justice**: I will seek to set things right.
5. **Reciprocity**: What I give is what I get.
6. **Righteousness**: I do the right things and I am proud of it.
7. **Truth**: I believe in myself and I am honest.

## IF EXPOSED TO KNOWN COVID-19 CASE, START HERE:

## IF SYMPTOMATIC, START HERE:

<sup>1</sup> Anyone who was within 6 feet of someone diagnosed with COVID-19 for at least 15 minutes with or without a mask is a close contact. In addition, anyone who was in a cohort, classroom or team with someone diagnosed with COVID-19 may be considered a close contact.

<sup>2</sup> Individual must isolate for at least 10 days from date of initial symptom and until 24+ hours without fever and other symptoms improved. Isolation means physical separation from others to prevent exposure.

<sup>3</sup> Individual must quarantine for 10 days from date of most recent exposure to someone with COVID-19. Quarantine means physical separation from others to monitor for symptoms.

<sup>4</sup> Cohort, classroom or team of someone with COVID-19 may quarantine for 10 days from date of most recent exposure. Quarantine means physical separation from others to monitor for symptoms.

<sup>5</sup> Symptoms may include, but are not limited to: fever, subjective fever, cough, sore throat, shortness of breath, difficulty breathing, chills, fatigue, headache, body aches, congestion, runny nose, nausea, vomiting, diarrhea, abdominal pain, loss of taste or loss of smell.

<sup>6</sup> Other diagnoses may include, but are not limited to: allergies, asthma, common cold, croup, influenza, parainfluenza, pertussis and strep throat.

<sup>7</sup> Since no diagnosis is confirmed, public health conducts an investigation to determine other epidemiologic links or causes of illness. Dependent upon the outcome of the investigation, the cohort, classroom or team of the symptomatic individual may still need to quarantine.

<sup>8</sup> Contact health care provider or refer to Columbus Public Health COVID-19 testing information at [www.columbus.gov/coronavirus](http://www.columbus.gov/coronavirus). If you've tested positive for COVID-19, there's a free online tool that can help you quickly and easily notify your contacts. Learn more at [www.tellyourcontacts.org](http://www.tellyourcontacts.org).

# Symptoms

**STAY HOME:** If you have...

# Protocol for Nurse Office Visits

- Please notify the office that you have a student who is not feeling well and what their symptoms are.
- Based on the student's symptoms will determine if they should be sent to the nurse's office.
  - If the student is having any of the following symptoms the nurse will meet with the child in the hallway to assess and determine next steps
    - Fever greater than 100.4
    - New or worsened cough
    - Loss of taste or smell
    - Sore throat
    - Nasal congestion or runny nose
    - Headache
    - Body ache
    - New or worsened fatigue
  - If the student has symptoms that are not listed above and cannot be addressed with the tools provided in your "goodie bags" please call the nurses office to discuss and we will make a plan based on each situation.

# Separation Room

## **We will have 2 separation rooms**

1. Peak room: This room will be used first due to its location and ease of monitoring
2. Music room: This will be our overflow room
3. Both rooms will be have cameras where the students can be monitored at all times.
4. Inside the separation room the students will have to wear a mask and continue to maintain social distancing.
5. The goal is for parents to pick up the child within 30 minutes and if they can't, they have several back up plans.
6. These kiddos cannot ride the bus home.
