

My Readiness Checklist for Remote Learning at Northland High School

- I know how to log into Infinite Campus.*** You can find the student and parent portal on the main Columbus City Schools website. Your username is your student ID # and your password is your date of birth with dashes (for example, MM-DD-YYYY).

- I know I must log into Infinite Campus everyday to “Check-In” for attendance for ALL of my classes.*** You can do this at the beginning of each day for all of your classes. Even if a class does not meet “LIVE” that day, still check-in.

- I must use the Google Classroom codes in IC to join my classes and connect with my teachers.*** The codes can be found on your schedule next to your teacher’s name. Copy the code and then go to your Google Account and join the class. Repeat this process for all of your classes.

- I understand Northland’s new class schedule for remote learning.***
