April 1, 2020

Greetings Parents,

Hope all is well with you and your family!!

Our distance learning plan is scheduled to begin on Monday, April 6<sup>th</sup> and last until Friday, May 1<sup>st</sup>. All scholars are expected to follow the plan and engage in the virtual learning that their teachers provide each week except during the week of Spring break (April 10<sup>th</sup> – April 17<sup>th</sup>). Teachers will post weekly assignments for each of their classes by Monday of each week. Scholars are required to complete all assignments designated by their teachers. All assignments will be posted in the Google Classroom created by each teacher. Scholars are required to join each Google Classroom to gain access to the assignments.

Teachers will be available on Mondays, Wednesdays, and Fridays to offer guidance and virtual support via Zoom, Google Meet, WebEx or some other interactive online platform where they will deliver instruction and be available to answer questions or provide support in a “face-to-face” online format. Teachers will hold office hours on Tuesdays and Thursdays. Scholars are expected to attend the virtual sessions if required by their teacher and/or if they need support with completing their assignments. If scholars are unable to join the online sessions at the designated time that their teacher provides due to Chromebook or technical issues, it is the scholars/parent’s responsibility to contact their teachers and arrange for support during that teacher’s office hours.
