## A Day at CDHS:

**1st Year:** Principals of Information Technology, Programming & Software Development and Web Design

**2nd Year:** Computer Hardware and Computer Software

## About Us:

The information technology labs are located at the Columbus Downtown High School. All juniors have the opportunity to explore all three IT specializations – IT Support & Services, Programming & Interactive Multimedia in an exciting, hands-on environment.

## Things You'll Do:

- Build computers from scratch
- Install and configure Windows and Linux operating systems
- Replace system boards, hard drives, memory and more
- Test power supplies
- Make your own network cabling
- Remotely control computers
- Install networked printers and security cameras
- Troubleshoot and repair computer systems
- Learn basics of Cyber Security
