Instructions for Successfully Completing the AQ Fixed Asset Pickup Form ~

🐞 Accessibility Mode 🛛 🖓 Immersive Reader 🖉 Open in Desktop 🕀 Print 🖆 Share 😶

Start by selecting the appropriately sized pickup request form. You have six different forms to choose from: Maximum # of 17, 45, 100, 297, 521, or 997 assets

To download a copy to your Desktop; Select the circle before the file you want, then select  $\underline{\downarrow}$  Download from the ribbon above, and then select your desktop as the save to location.

The Requestor, Building, Email Address, Asset Number(s), and Working Condition fields are **MANDATORY**. If the working condition is unknown, mark the asset as "No".

It is **strongly** recommended that you enter the **Serial Number** for any asset tagged item that has one. By doing so, you are giving the Fixed Asset Department a second opportunity to properly account for your assets in cases where tags have changed, removed, or damaged.

Once complete, save as a .xlsm (macro enabled workbook) file to your desktop and then email that file to FIXEDASSETPICKUP@COLUMBUS.K12.OH.US. Please allow up to ten business days for Delivery Services to pick up your assets.

Upon the receiving process at HDC the requestor, if they entered their email address, will receive an email as to the status of the receiving.
