Details

The student arrived to 7th period at 12:56 and was chewing gum. I asked her to deposit the gum in the trash because gum & food are not allowed in my classroom. She spit the gum in the trash then took out a new piece and had it in her mouth before she got the violin and sat in her seat. I gave a second verbal warning and stated I would issue a "190" if she didn't get rid of the new gum. She was insubordinate.
