Welcome to another school year here at Johnson Park Middle School! We want to thank everyone who came our last month for our 6th grade Student Orientation. We had a wonderful turnout and we hope it helped ease some of the nerves about starting middle school! Special thanks to Donatos for donating gift cards!

There will be no student pick-up between the hour of 1:30-2:30 p.m. daily. This has been a problem in the past. We are trying to limit the number of interruptions during the school day, especially the last two periods of the day. The last hour of school is just as important as the first. We want to give all our students every opportunity to learn during every hour they are in attendance. With administrator approval, only extreme emergencies will be the exception to this rule. The administrative team is also asking families to be thoughtful and not call the school during that last hour to give messages to their students. The latter part of the day is the busiest for our support staff. Due to the business of the day, there is no guarantee messages will get delivered to students prior to the 2:30 p.m. dismissal. Again, only under extreme emergencies will support staff do their best to pass messages along.
