Columbus, OH 43211

NNEMAP Food Pantry is located on the #8 COTA bus line. It's hours of operation during this time are:

Mondays 9am-12pm

Tuesdays 9am-12pm

Wednesdays 9am-12pm

CLOSED ON THURSDAYS

Fridays 9am-12pm

Normally, they serve residents of five zip codes on the near north side: 43201, 43211, 43215, 43219 and 43224. During this time of economic disruption, however, they are feeding families who come to them in need.

In order to reduce the spread of coronavirus by practicing social distancing, clients stay outside the pantry and will be given a pre-packed box of food items based on the number of persons in the household.

All that persons need to bring is 1) a photo ID of the head of the household who is coming to get food, they would like to also see a piece of mail with the person's current address, but they will waive this for the first time.
