

MR. ROOT'S ISOLATION MATH PLAN

Hello all,

I hope that everyone is doing OK out there. I know that this is a crazy time for all of us. Please let me know if you need anything and I will do my best to help.

I have developed a plan for us to keep the school year moving. For some of you this will be challenging since not everyone is excited about learning on a computer. However, let's give it a try and see how it goes. Please note that I am open to comments. This is not the final plan for the rest of our isolation, but is a first draft of what I think will work.

We will have 3 areas we will be working (possibly more later):

- 1) Khan Academy
- 2) ALEKS
- 3) Google Classroom

There is one tool that will also be helpful and that is your school email. Your school email can be accessed from:

<https://outlook.office.com/mail/inbox>

Just sign in with your school email: **studentid#@columbus.k12.oh.us**
Password is your birthday with dashes.

If you have questions or want to check any updates that should be one of the first places you go.

I will also post updates regularly in Google Classroom. Let me know if you have problems accessing it.

Connect to Khan Academy:

Go to khanacademy.org

Sign up with your school Account

Then add a class:

Period 1: 5A682C7Z

Period 2: Y6N5SW3G

Period 5: PZ4UMT5A

Period 7: UUV7XJ9E

Period 8: BC5U2VQ3

OFFICE HOURS AND ZOOM

I will be available for “office hours” Every weekday 10am - 12pm and 3pm-4pm.

I will be on Zoom 10am - 11pm and 3pm - 4pm.

Just follow this link at those times:

Morning Meeting: <https://zoom.us/j/890827242>

Afternoon Meeting: <https://zoom.us/j/85444922>

If you ever want to talk and it isn't during one of these times, just email me and I will open a zoom session for you if I can.

EXPECTATIONS:

I expect everyone to work on KHAN Academy course mastery for 60 minutes per week.

I will assign at least one assignment in KHAN Academy a week as well. You can choose to use your course mastery time to make progress that relates to the assignment, or if you are confident in your ability with the assignment you can work ahead.

5 Aleks Topics a week.

I may decide to adjust those totals as the time goes on but for now this is the expectation.

GRADING:

For Khan Academy Weekly:

60 Minutes: 10 pts

50 Minutes: 8 pts

40 Minutes: 7 pts

Assignment will be graded by Khan Academy.

5 Aleks topics will be graded as usual, 5 points for each five done. 5 points for the initial knowledge check.

If you have read this whole document, email me from your school account with the subject “I read it!” for bonus points.
