

Ms. Griffith Biology and Anatomy

What, When, How?

Welcome back tigers! I'm so happy to have you in my class this year. We are finally back to in person learning! Even though we will be in the building, remember to bring your chromebook every day! We will do some virtual labs and assignments in Google Classroom on occasion. . In order to log into Google Classroom, you must use your CCS account. Once signed in, you can add my class to your list of classes by pressing the "+" sign. If you are unsure of how to use the features of Google Classroom, or need to brush up on some skills, please go to the link below for a tutorial.

BE POSITIVE! THIS IS
GOING TO BE A GREAT
SCHOOL YEAR!

Don't forget to wear your mask! We might be in person, but the school will require masks in the building at all times. I have extras if needed!
