English 9 Online Learning Instructions

Students should join the Google Classroom (class code: **rjhdnbb**). Work will be posted in Google Classroom and students should check weekly for updated work.

Make sure to complete TWO Achieve 3000 each week starting March 30, 2020. I will run the reports on Saturday. You are welcome to do extra or work ahead as long as you have over a 75%.

Please start working on your five paragraph essay focusing on a person they admire. Students are welcome to start sharing the essay with me so I am able to assist them in the writing process. The final copy of the essay is due April 9, 2020.

I will begin entering assignments March 30, 2020. You will want to check IC often to make sure all your work is accounted for in the computer.
