This is important information:

Hey guys! We are going to get through this together! I will have assignments on google classroom that you need to complete each week. Each day I will be available from 10:00 to 2:00 via my email and google classroom. If something is not working or you get frustrated, YOU NEED TO LET ME KNOW. Make sure you check google classroom each day. Each week's assignments will be due each Sunday by 9pm.

1st Period: ejsrh56

2nd Period: x4s5m3g

Don't let your time get away from you! Make a schedule and stick to it!

Make a TO-DO list. Keep yourself organized!

Confused? Overwhelmed? ASK questions. Not, "I need help with number 1." Make them specific so that I can help guide you to figure out the answer!
