Quick Rundown on the game plan.

WE are going to do the best we can to get through the tough times we are in and challenges we face with the distance education. Your classes are going to be much more like that of a college student where you will have to keep up on your own a lot more. I as a teacher will still be available to help you out as much as I can. For Health and PE classes we will be using google classroom. You should have been sent an invite already!! If you need to get in contact with me send an email to iklein@columbus.k12.oh.us I will do the best to reply as soon as possible.
