

Columbus Teaching Academy

The Columbus City School District does not discriminate based upon sex, race, color, national origin, religion, age, disability, sexual orientation, gender identity/expression, ancestry, familial status or military status with regard to admission, access, treatment or employment. This policy is applicable in all district programs and activities.

IS THIS YOU?

- Like to teach?
- Like to manage a classroom?
- Like to counsel young adults?
- Create lessons and activities?
- Intern in local schools?
- Do you want to make a difference and influence children and guide them as they learn and grow?

LEARN BY DOING:

- Explore education careers
- College requirements for education programs
- Learning standards for subjects and grade levels
- Designing lesson plans
- Child development
- Learning styles
- Classroom management

CAREERS:

- Primary or Secondary Classroom Teacher
- School Counselor
- Principal
- Industry Educator
- School Psychologist
- College Professor
- Community Cooperative Educator

PROGRAM BENEFITS:

- Internships in two local elementary, middle, or high schools
- Work with professional educators
- Gain hands-on experience working with students of all ages and ability levels
- Develop a professional teaching portfolio
- College credit

A Day at CDHS:

1st Year: Research historical perspectives and theories of education. Career planning, professional guidelines and ethical practices are emphasized. Create classroom environments to maximize the learning potential of each learner.

2nd Year: Develop age-appropriate learning experiences and curriculum to engage children. Create lesson plans. Examine different types of assessments and learn how to align assessments with desired learning goals. Participate in two separate internships at local school settings.

Things You'll Make:

- Classroom visits from OSU professors and graduate students
- Create and implement lesson plans
- Study and discuss excellent teaching practices and pedagogy
- Compete in Educators Rising State conferences

About Us:

Students intern at a local elementary, middle, or high school.
