

## **Demographic Transitions Foldable**

### **Directions for the foldable:**

1. Fold paper in half, "Hot Dog" style. Write your name, class, and date on the back.
2. On the front, cut out the demographic transition diagram.  
Cut 4 flaps, separating the different stages of demographic transition.
3. On the inside of each flap, paste the age structure diagram and describe the birth rates, death rates, and overall population growth for each stage.
